OUR MISSION: Service and Leadership

The Santa Barbara County Education Office is an intermediate agency between the California State Department of Education and the 22 school districts that are located within the county's boundaries. K-12 enrollment for 2009 is 66,040 students.

It is our office mission to provide service and leadership in the areas of students, teachers, and finance.

Students:

89% of our budget provides classroom instruction and support to special populations of students.

Teachers:

We provide staff development and support to teachers countywide.

Finance:

We provide business and data processing services to 20 school districts, two community colleges, one Joint Powers Agreement (JPA), and our own internal services department.
